RE: Public Records Request

Dear Mr. McCarter:

On January 14, 2013, the Massachusetts Department of Public Utilities ("Department") received MuckRock News' public records request seeking an organizational chart for administration of the Mass Save program, including a general summary of responsibilities. After a reasonable search, the Department has determined that it has no records responsive to your request. We recommend that you contact your gas and/or electric provider for more information regarding the Mass Save program.

Please contact me at (617) 305-3527 with any questions. Thank you.

Sincerely,

/s/
